Corrigendum to

SPLINE-WAVELET SOLUTION OF SINGULARLY PERTURBED BOUNDARY PROBLEM

Desanka Radunović

Due to a technical error, Table 3 in the paper “Spline-wavelet solution of singularly perturbed boundary problem” by Desanka Radunović, published in the last issue of Matematčki Vesnik **59**, 1–2 (2007), 31–46, appeared wrongly. The right Table 3 should be

$\varepsilon\backslash h$	2^{-3}	2^{-4}	2^{-5}	2^{-6}	2^{-7}	2^{-8}
1	$6e-4$	$2e-4$	$4e-5$	$1e-5$	$2e-6$	$5e-7$
0.1	$1e-1$	$3e-2$	$8e-3$	$2e-3$	$5e-4$	$1e-4$
0.01	$3e+0$	$1e+0$	$4e-1$	$1e-1$	$3e-2$	$7e-3$
0.001	$1e+2$	$2e+1$	$7e+0$	$3e+0$	$5e-1$	$4e-2$
0.0001	$1e+4$	$2e+3$	$2e+2$	$4e+1$	$2e+1$	$7e+0$
0.00001	$1e+6$	$1e+5$	$2e+4$	$3e+3$	$4e+2$	$1e+2$

Table 3. Uniform errors for problem (22) in quadratic case
