CORRIGENDUM TO
"ON $\varphi - |\overline{N}, p_n; \delta|_k$ SUMMABILITY FACTORS", Vol. 54(4) (1997), 393–398

H. Seyhan and A. Sonmez

The following corrections need to be made in [1].

1. The following sentence should be added to the end of the statement of main theorem (page 395): "where t_n is the $(C,1)$ means of the sequence $(n\,a_n)$".

2. On page 397, line 6 from below, "$P_v = O(v\,p_v)$, by (2.1)" should be read "$\varphi_v\,p_v = O(P_v)$, by (3.1)".
